True to thee we'll be
We will ever love and honor
To eternity.

Long between the walls we've lingered
All with kindred minds
We to thee and to each other,
Find a tie that binds.

Soon we'll leave thee, Thompson

And as the years roll by
We will always hold thy Banner

Principal's Message

Through the doors of the American public school pass the future citizens of our nation. We enter through these doors that we may grow scholastically, socially, physically, spiritually and increase our understanding of self and our fellowmen.

After several years of formal education we leave through these same doors to meet the many challenges of adulthood. Those who apply themselves fully while in school will be able to meet these challenges with purpose and understanding.

Lunch Room

Thompson Elementary School

During the past year we have seen a modern miracle take place before our very eyes. Due to the foresight and generosity of the voters of Shelby County we now enjoy a superior school plant.

The faculty and administration of Thompson Elementary School are deeply grateful for these outstanding facilities; we now dedicate ourselves wholeheartedly to the pleasant work of turning out a superior product among our children.

The importance and seriousness of our work might be summed up in these lines by an unknown author:

"I took a piece of living clay, and gently formed it day by day,
And moulded with my power and art, a young child's soft and yielding heart.
He came again when years were gone, it was a man I gazed upon.
He still that early imprint wore, and I could change him never more."

Sincerely

Henderson Walker, Elementary Principal
